2023 REALTOR® COMMUNITY CARE DAY Homeowner/Project Application

REALTOR® COMMUNITY CARE DAY is a program that arranges for volunteers to assist eligible homeowners with **NON-STRUCTURAL EXTERIOR HOME REPAIRS** and adaptive and safety modifications for the elderly or disabled (the "Program"). All applicants must fill out an application form and **provide required documentation by June 9, 2023** to be considered for a repair project. (A list of all necessary documents is on page 4). Incomplete applications, including those without all required documentation, will not be considered. If your house is selected for a project, there is no charge for the work completed.

NOTE: Your application, including financial information, shall remain confidential and will be retained in our office for a total of four (4) months following REALTOR® COMMUNITY CARE DAY. If you have not requested that the documents be returned to you, all documents will be destroyed at the end of that period.

Due to limited resources and a desire to have the greatest impact possible, prior applicants and participants are not eligible for more than one project.
